The screenshot shows a Pinterest gallery titled "Rome". At the top right, there are three colored circles (yellow, blue, red) and a navigation path: "Home > Gallery > Rome". Below the path is a red-bordered button that says "Create exhibition from folder". The gallery contains three items, each with a "Photograph" label and a red square icon with a white plus sign. The first item is a wide-angle view of Rome with a red mouse cursor pointing at it. The second item shows a domed church and ancient ruins. The third item shows a bridge over a river. At the bottom right, there is a large red button with a white bookmark icon and the text "Save".
